Malt Extract Liquid

Molasses Powder

Amino Acid Powders

ARJUN PEPTONES

Collagen Peptide Powder Veg

Collagen Peptide Powder Type I and II

Collagen Peptide Powder Marine

Collagen Peptide Powder Chicken

Peptone Soya Powder

Peptone Casein Powder

Peptone Bacto Powder

Peptone Malt Powder

ARJUN MINERALS

Zinc Amino Acid Chelate Powder

Copper Amino Acid Chelate Powder

Ferrous Amino Acid Chelate Powder

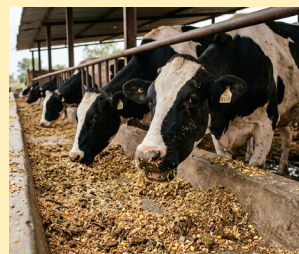

Manganese Amino Acid Chelate Powder

Magnesium Amino Acid Chelate Powder

Chromium Amino Acid Chelate Powder

Boron Amino Acid Chelate Powder

ABOUT US

Pioneering Nutritional Excellence

Arjun Industries is a premier manufacturer and exporter of high-quality nutraceutical ingredients. Established since 1997, we have established ourselves as a trusted partner for nutraceutical, pharmaceutical, animal feed and cosmetic companies across the world. Our state-of-the-art manufacturing facility operates under strict ISO 9001:2015, GMP and FSSAI guidelines, ensuring every product meets the highest international quality standards.

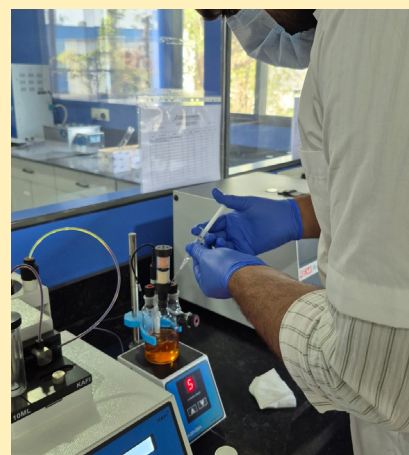

Our Quality Commitment

At Arjun Industries, quality is the foundation of our operations. Every product is manufactured under a strict quality management system and tested thoroughly to meet international standards. Each batch is supported by a Certificate of Analysis (COA), ensuring transparency and reliable performance for our global customers.

Our certificates

ISO, FSSAI, Halal, Kosher and many more.
